# What Past Delegates Say...

I did not know that Spain was so important to European food. I was very impressed and made new contacts that can support my farming business.

- Marcus Denfield (Cocoa Farmer), Liberia

I was not sure what to expect from this tour. It was very grueling, from one facility to the other, but I learnt so much and very interestingly, I made contacts and now export Soybeans to Spain. Very valuable trip for me and my team.

- Alhaji Jagarba (Agribusiness, Kwara), Nigeria
