

IMPORTANT AGRI. VALUE CHAIN TOUR TO THE UNITED STATES

See what Best-In-Class looks like

MEMPHIS, TENNESSEE, UNITED STATES

12th October 2025 - 16th October 2025

Are You Ready to Improve your Agribusiness?

Do you seek to grow your farm, fishery and harvest yields, and become more efficient in processing and food production? Do you wish to elevate your practices and expand your network globally?

AVAS Consulting, in partnership with the University of Tennessee and the Tennessee State Government Agriculture Department, invites you to participate in an exclusive Agriculture Value Chain Tour in Memphis.

Following the overwhelming success of our recent tour to Knoxville, Tennessee in May, due to popular demand, we are excited to bring the new dates to Memphis for a bigger and better experience.

Why you should come on this Tour...

Participating in the UNITED STATES AGRI. EXPLORATION TOUR offers a wealth of advantages for individuals and businesses in the agriculture value chain. Here are some key benefits that you can expect from this unique experience.

Experience Best-In-Class

This is your chance to visit world-class farms, catfish farms, and processing projects. You will gain first hand insights into the latest technologies and practices that will revolutionise your operations and projects

Affordable Machinery

Come and meet with second-hand machinery suppliers who will present cost-effective solutions tailored to the unique African terrain. Discover certified machinery that is proven to significantly enhance your productivity and efficiency – all at affordable price!

Learn from Experts

Engage in insightful presentations and discussions with industry experts who will equip you with the knowledge and tools necessary to thrive in the agriculture landscape

High-Level Networking

You will connect with fellow delegates from African agriculture, building life-long impactful relationships. There is also government to government networking opportunities. This tour is not just a chance to learn and experience but also to collaborate with like-minded professionals

What Past Participants say...

“This tour was amazing. I have never received so much new knowledge and perspective in a sector that I am very experienced in. I will encourage my colleagues to attend any future tour from your company. Thank you so much”

- Kazeem, Nigerian Delegate

“The tour itself was incredible. Even better was the hospitality from all of the hosts. The University of Tennessee, the Government of Tennessee and the friendliness of everyone we met, from the presenters to the wonderful hotel staff. Everything was very well planned. Bravo to you and see you again soon”

- Emmanuel, Delegate from Zambia
